Cleansing, exfoliating, extractions, massage, mask
& moisturise, customised to the client's skin.

RegimA Peel & Heal Power Peels:

These peels incorporate a host of actives which have healing and rejuvenation effects and gives the skin renewed elasticity, instant smoothing of fine lines and wrinkles and helps eliminate and control pigmentation. The unique gel consistency allows for easy application, excellent tolerance and a minimized down time. The Power Peel offers a combination of 6 powerful natural fruit acids as well as the addition of healing plants, renowned for anti-inflammatory and antioxidant properties. Safe to use all year round, during pregnancy as well as for all skin types and ethnicities.
